## Math

Unit: Telling Time

Skills: The students will be able to:

- Tell time to five minute intervals on an analog and digital clock
- Relate time to daily events using a.m. and p.m. For example, at 3:00 a.m. I am sleeping. At 3:00 p.m. I'm getting ready to go home from school.

## FYI

- October 7 – Field trip permission/chaperone sheets and money due!
- October 14 – Field trip! More details coming home soon.
- October 19 – Picture Retakes
