

Name _____ Date _____

Look in the shopping ads for four items you would like to buy. Glue two in each box and add up your purchases.

Add the 2 sums to get the total cost of your four items.

\$ _____

+ \$ _____

\$ _____

Total cost of your four items =

\$ _____

Item One	\$ _____
Item Two	+ \$ _____

Sum #1	\$ _____

Item Three	\$ _____
Item Four	+ \$ _____

Sum # 2	\$ _____

If you were given \$10.00 to buy your items, would you have enough?
